Dears,

We, ISPH S.A. assure that VAPTECH has successfully delivered a complete hydro mechanical system and services for the cascade Tomsani, located in Romania. There was refurbished the old units and was installed new ones.

The equipment supplied by VAPTECH operates smoothly throughout the flow variance. The supplied equipment corresponds to the technical requirements, has been manufactured according to the contract deadlines and is of good quality.

We highly appreciate the good cooperation with VAPTECH and will recommend the company for our future projects.

Stefan LEFTER
GENERAL MANAGER
