LETTER OF REFERENCE

We, Lumiei Impianti SRL assure that VAPTECH has successfully installed a complete electromechanical system and services for the VLUSHE hydropower plant located in Albania.

The system is based on 2x Pelton turbines with unit installed capacity of 8518 kW. The scope of supply also included: auxiliary hydromechanical equipment, generators, automation, MV transformers and switchgear, installation and commissioning of the power plant

The equipment supplied by VAPTECH operates smoothly throughout the flow variance. The supplied equipment corresponds to the technical requirements and has been manufactured according to the contract deadlines and is of good quality.

We highly appreciate the good cooperation with VAPTECH and will recommend the company for our future projects.

Sincerely,

Fausto Schneider  
Executive Director
