## New Symphony Orchestra

New Symphony Orchestra (NSO), a private initiative, was created in 1991 as an alternative to the existing musical institutions financially supported and controlled by the state. Throughout the years New Symphony Orchestra has produced its own mode of operation by creating a Society of Friends, dedicated to the welfare of this cultural institution, which is unique in Bulgaria. Hundreds of excellent musicians have started their musical career at NSO and are now performing in orchestras all over the world.

When: Since 2003
